

**West Shore Community College
AND
MID MICHIGAN COLLEGE
SHARED RADIOGRAPHY CURRICULUM**

ADDENDUM A

Prerequisite classes offered at West Shore Community College (WSCC) to be completed prior to admission into the Radiography Program are as follows:

<u>Course #:</u>	<u>Credits:</u>	<u>Course Name:</u>
ALH 104	3	Medical Terminology
ANP 230	4	Human Anatomy and Physiology I
ANP 231	4	Human Anatomy and Physiology II
ENG 111	3	Freshman Composition 1
MTH 120	4	Introductory Algebra

Note: BIOL100 General Biology is also recommended.

The following General Education courses included in the shared Radiography curriculum are offered at WSCC. It is recommended that they be completed prior to beginning the program.

<u>Course #:</u>	<u>Credits:</u>	<u>Course Name:</u>
SPE 101	3	Principles of Speaking
PSY 161	3	Introduction to Psychology

Additionally, SSC 200 (Social Sciences and Contemporary America) is to be taken at Mid or equivalent credit earned.

For Anatomy and Physiology courses, a grade of "B-" or higher must be earned. Science courses must have been completed within five years of the date the student formally begins the program.

Students who have earned an Associates Degree from an accredited college have met the Mid General Education Level I requirements for English Composition, Fundamentals of Communications, and Algebra. Students who have earned a Bachelors Degree from an accredited college also have met General Education Level requirements as well as the Level II Social Sciences requirements.
