

FORMAL STEP FOUR – Arbitration

If mediation is not completed within four (4) weeks after being requested, then either party may file a petition for arbitration with the American Arbitration Association. The Faculty Senate only, and not an individual member, may request arbitration, provided, however, that arbitration shall only be available as to grievances alleging violation, misrepresentation, or misapplication of the FSA Master Agreement. If the mediation process has been completed within four (4) calendar weeks after the date of filing, then the request for arbitration must be submitted within five (5) working days after the mediation process has been completed or the mediation has been bypassed.
